## The 8<sup>th</sup> Annual Emerald Conference Agenda is Live!

**Denver, CO January 26, 2022**—The 8<sup>th</sup> Annual Emerald Conference, curated by the Emerald Conference’s Scientific Committee will take place March 1-3, 2023 at the Loews Coronado Bay Resort in San Diego.

[The Emerald Conference](#) is the original, longest running interdisciplinary cannabis science event. Produced by [MJBizScience](#), the 2-day conference has become the must-attend event for decision-makers in analytical testing solutions, extraction and separation, research and development, cultivation and alternative strategies, formulation and fill/finish, pre-clinical and clinical research, and psychedelic and other natural compounds.

The meeting will include 15+ industry leading speakers, 30+ technical poster presentations, 40+ exhibitors and sponsors, unparalleled networking events.

Sessions and speakers include:

- **Characterization of Delta-8 THC Distillates Using High Resolution Mass Spectrometry**— [Emily R. Britton, PhD, Principal Marketing Manager for Food & Natural Products, Waters Corp.](#)
- **Harnessing the Cannabis Sativa Plant’s Ability to Recruit Microbes in Search of a Developmentally Specific Rhizosphere Microbiome**— [Michael J. DiLegge, MSc, Director of Microbiology, Impello Biosciences, Inc.](#)
- **A Framework for Scientifically Deriving Safety Limits for Inhalable Cannabis Concentrates**—[Shawna Vreeke, PhD, Head of Research, True Terpenes & Echoleah Rufer, PhD, Director of Health Sciences, PAX](#)
- **Spread and impact of Hop Latent Viroid on cannabis (*Cannabis sativa* L.) growth and quality**—[Dr. Zamir K. Punja, Professor, Simon Fraser University](#)
- **Chemical Synthesis of Minor Cannabinoids**— [Matthew Roberts, PhD, Chief Technology Officer, Nalu Bio](#)
- **Cannabis Use in Autism Spectrum Disorders**— [Dr. Christian Bogner, Founder & CEO, Bogner Health LLC](#)

- **Forced Degradation Studies—An Underutilized but Powerful Tool—**[Harpreet Kaur, PhD, Founder, Rudra Solutions Inc.](#)
- **Analysis of Psilocybin and Psilocin in Mushrooms and Mushroom Products by Portable Liquid Chromatography: Insights and Progress—** [Dylan Wilks, Chief Technology Officer, Orange Photonics, Inc.](#)
- **Purification of Cannabis Extracts Using Captura™ ‘Nanosponge’ Adsorbents: From Kilo to Micro, Batch to High Throughput, and Selective Evolution—** [Dr. Ian Atkinson, Chief Scientific Officer, Grow Group PLC](#)
- **Paradigm Shift in Cannabis Drug Discovery: From Deductive to Inductive R&D—** [Dr. Shimon Lecht, Chief Innovation Officer, Day Three Labs](#)
- **Simulations of Test Reduction Using Pooled Heavy Metals Analysis in Cannabis—** [Dr. Markus Roggen, President & Chief Science Officer, Delic Labs](#)
- **The Effect of Macronutrient Manipulation During Flowering on Cannabis Sativa Yield and Potency—** [Rachel Edwards, MSc, Research and Development Manager, Statehouse Holdings](#)

In addition to the two-day conference, there will be opportunities to connect with the entire scientific community at key networking functions as well as in the exhibit hall showcasing the latest innovations and the popular [poster presentations](#).

The Emerald Conference is the leading forum for networking and discussions on discovery science, as well as how science and data support best practices in cultivation, production, and quality assurance.

“The Emerald Conference is where geniuses come to share hard-won knowledge and help make cannabis more profitable, safe, and scientifically grounded. We have much to learn about cannabis, still, and research can be lonely work in a country that has not supported these efforts. This community really matters,” concluded Pamela Moore, Chief Content Strategy Officer, MJBiz, a division of EmeraldX.

[Registration is now open.](#)

### **ABOUT THE EMERALD CONFERENCE PRODUCED BY MJBIZSCIENCE**

MJBizScience provides a locus for scientific enquiry into the science of cannabis. We share insights on new research in analytics, genetics, formulation, synthetics, medical and all fields of scientific enquiry. MJBizScience is part of the MJBiz family of products, which also includes: [MJBizDaily](#), [Hemp Industry Daily](#), [MJBiz Magazine](#), [MJBiz Factbook](#), and the award-winning trade show, [MJBizCon](#). MJBiz acquired The Emerald Conference in early 2020 from founding sponsor Emerald Scientific.

### **ABOUT EMERALD**

Emerald's talented and experienced team grows our customers' businesses 365 days a year through connections, content, and commerce. We expand connections that drive new business opportunities, product discovery, and relationships with over 140 annual events, matchmaking, and lead-gen services. We create content to ensure that our customers are on the cutting edge of their industries and are continually developing their

skills. And we power commerce through efficient year-round buying and selling. We do all this by seamlessly integrating in-person and digital platforms and channels. Emerald is immersed in the industries we serve and committed to supporting the communities in which we operate. As true partners, we create experiences that inspire, amaze, and deliver breakthrough results. For more information, please visit [emeraldx.com](http://www.emeraldx.com). Emerald acquired MJBiz in January 2022. For more information, please visit <http://www.emeraldx.com/>
